

True Strength Starts in the Morning

Breakfast is the most important meal of the day and busy mornings don't always allow time to make a bowl of oatmeal in addition to having your protein shake. Now there's a solution to help Fuel Your Morning with ease. **WHEY & OATS** - a convenient and delicious way to help complete your breakfast by getting whey - a complete protein with all the essential amino acids to support muscle recovery, and oats - a complex carbohydrate that provides energy to support strength and endurance. Set a good foundation for the day with WHEY & OATS in breakfast-inspired flavors in a smooth, easy-to-mix shake.

EASY MIXING

DIRECTIONS: For a convenient breakfast-time shake, just add a scoop of WHEY & OATS to a glass or shaker cup filled with 6-8 fl oz of cold water or your favorite beverage. Then stir or shake for 20-30 seconds or until powder is dissolved.
