Directions: As a natural food take one tablespoon daily. Also, add to shakes and smoothies. Ideal to add to organic yogurt or whole milk. Pour over cheese. Make a tasty 'grape-ade' by adding to sparkling or flat water.

Grape-e-Power is the only 100% natural, mountain-grown, Mediterranean-source grape concentrate available. This concentrate is made by old-fashioned methods used for centuries. Notice the exceptional taste and aroma of this grape concentrate. Grape-e-Power mountain-grown grapes are rich in flavonoids and are richer by weight in antioxidants than fresh fruit and vegetables.

Shake well before using.
