

KIDS COMPLETE MULTI • OMEGA 3s • VITAMIN D3

THE GOOD GUMMY

We started SmartyPants because we thought we shouldn't have to choose just one: premium ingredients for our family's health, a company we trust, or affordability. We wanted all three. We also didn't think good health should be available only to those with large wallets (though they deserve it, too) but for us all – even those around the world without easy access to any supplementation at all. Good ingredients, Good taste, and Good works – The Good Gummy.
