

EAT LIKE YOUR LIFE DEPENDS ON IT

The best sources of collagen can be difficult to find, and even harder to incorporate into a healthy diet, as it's derived from uncommon animal parts, such as the bones, skin and connective tissue. I embarked on a quest to find the most delicious, convenient way to add collagen into my daily routine. And so Collagen Fuel™ was born. Obtaining significant amounts of this unique protein source is now easier than ever. Simply add 1-2 scoops of Collagen Fuel™ to 8 ounces of ice-cold water. Or turn it into a veritable flavor feast by adding blueberries, bananas, mangos—there's just no end to the tasty concoctions you can make!

PRIMAL KITCHEN® Collagen Fuel™ elevates low-carb, low-sugar, clean eating to maximum satisfaction. I'm doing things differently with PRIMAL KITCHEN®: no more sacrificing flavor for health—and no offensive ingredients allowed! I'm on a mission to make healthy eating easy and exciting by creating the world's best-tasting foods. Eat like your life depends on it. Because it does.
