Testosterone & Performance Loss

See More

Over 55 Million Men

Testosterone loss impacts all men. Are you one of the 55 million men who has noticed a change?

Levels naturally decline 1-2% per year. This could mean 25-50% lost by age 45.

Testosterone Benefits

LOSS	GAIN + MAINTAIN	
<p><b>Testosterone Loss</b> 1-2% per year</p> <ul style="list-style-type: none"> <li>Muscle loss</li> <li>Belly fat &amp; weight gain</li> <li>Less energy / motivation</li> <li>Feeling tired or older</li> </ul>	<p><b>Benefits of Increased Testosterone</b></p> <ul style="list-style-type: none"> <li>Increased natural energy</li> <li>Faster recovery</li> <li>Less soreness after physical activities</li> </ul>	<ul style="list-style-type: none"> <li>Metabolic changes</li> <li>Muscle development support</li> <li>Better endurance</li> </ul>

DIRECTIONS: Take two (2) tablets per day after a meal.

European Journal Applied Physiology (2013) Liu, Lin, Huang, et al. - 113.1783-1792

Other Information:

- Keep out of reach of children.
- Store at 15-30 C (59-86 F).
- Protect from heat, light & moisture.
- Do not purchase or use if seal is broken.

As a natural product, results will vary. Measure & track changes in your levels with an objective test.

Progene helps to support natural, healthy testosterone production within the normal range. Progene does not contain illegal substances nor actual/synthetic testosterone.

PROGENE CONTAINS DHEA - A HORMONE PRECURSOR AND A PERFORMANCE ENHANCING SUBSTANCE BANNED BY PROFESSIONAL SPORTS ORGANIZATIONS. DO NOT USE IF YOU ARE AN ATHLETE WITH THE NFL, MLB, NCAA, OLYMPICS OR ARE SUBJECT TO ATHLETIC TESTING. WARNING: NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF PREGNANT OR NURSING. As with any other supplement, consult a physician or licensed qualified health care professional before using this product if you are a woman or if you have any medical conditions-especially if you have or have a family history of any type of hormone sensitive disorder, prostate enlargement, prostate cancer, breast cancer, heart disease, low "good" cholesterol (HDL), or if you are using any other dietary supplement, prescription drug, or over-the-counter drug. Discontinue use 2 weeks prior to any surgery. Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Possible side effects related to testosterone supplements include, acne, hair loss, hair growth on the face, aggressiveness, irritability and increased or imbalanced levels of estrogen. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, blurred vision, an allergic reaction, other similar symptoms or changes in medical condition. Immediately discontinue use and contact your physician with any adverse effects, then forward the medical report to the Food and Drug Administration's MedWatch medical product reporting hotline (800-332-1088) and to Progene (800-776-4363). Before consuming, see Progene.com for additional terms, conditions & instructions.
