

*Health through the power of nature,  
that's what it means to Trust the Leaf®*

**Nature's Way® Aloe Vera Leaf Juice** provides an abundance of nutrients and components not found in many other liquid aloe products.

**Polysaccharide Content.** Nature's Way Aloe Vera is enhanced with Aloe PolyMax+™ (a proprietary aloe polysaccharide).

**Oxidation-Free Packaging.** Nature's Way Aloe Vera is guaranteed fresh. Because aloe nutrients deteriorate when exposed to oxygen, Nature's Way Aloe Vera is bottled using a unique nitrogen process to eliminate oxidation and preserve potency.

**Certified for Purity & Potency.** Nature's Way Aloe Vera is the brand to trust. Independently certified for quality, Nature's Way Aloe Vera is certified by the International Aloe Science Council (verification of aloe content and purity).
