## beyond fresh™

**Beyond Fresh™** quality natural supplements are in many ways superior to buying fresh fruits, vegetables and superfoods.\*

- The **finest certified USDA Organic farm-fresh produce** that's picked and harvested at the peak of perfect ripeness, mouth-watering flavor and nutrient density.\*
- Advanced proprietary technologies lock in all of the valuable vitamins, minerals, phytonutrients and enzymes.\*
- Exceptional convenience and year-round accessibility that traditional "juicing" just can't offer.\*
- Beyond Fresh is the complete do-it yourself **superfoods smoothie system that's better than fresh!**\*

**Native Juice** – Beyond Fresh Native Juice boasts the finest natural non-GMO fruit and vegetable ingredients for maximum nutritional value. This blend includes organic veggies and grasses such as beet, carrot and alfalfa, plus a sprout blend with chia, adzuki and more. A fresh fruit mix of apple, orange, peach, pomegranate and others complement the wholesome blend. Cranberry, cherry and other delicious berries add to the spectacular nutritional value and fresh flavor of this natural supplement.\*

## **Build Your Personalized Smoothie!**

Native Juice is a delicious drink mix that makes the perfect starter for a nutritious juicing shake. Add one or more of the wholesome "Master Blends" to this mix – plus a benefit-based "Booster" of your choice – and enjoy a complete whole food drink that's better than juicing!\*

DIRECTIONS: Mix 1 scoop with 8 fl.oz. of water, juice or your favorite beverage.
