Immune System Support

Immune *Take Care*™ combines multiple revered herbs to promote healthy immune function through multiple pathways.*

1+1>2

The antioxidative constituents in Elderberry unite with those in Black Currant to provide complementary immune-supportive benefits.*

Pure Elderberry

Our Austrian-sourced Elderberry is optimally grown to support the body's natural immune defenses.*

"Side Benefits"

Black Currant extract supports healthy microbial balance and helps to maintain normal cell growth.*

"True-to-Fruit" Extraction

A unique membrane extraction and use of ZERO solvents delivers the full-spectrum benefits of our active ingredients in their natural profiles.

NATURALLY GLUTEN FREE

NEWCHAPTER®

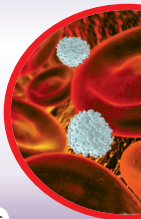

NON-GMO VERIFIED FORMULA

Immune *take care*™

Supports the Immune System*

- Activates multiple immune pathways for comprehensive support*
- 100% multi-herbal with "true-to-fruit" extraction

30 Vegetarian Capsules

holistic

New Chapter® *Take Care*™ formulas target specific areas of wellness and provide combinations of whole-food cultured vitamins, minerals, herbs and superfoods to support health and wellness.*

A New Chapter in Extraction

Membrane extraction is purely mechanical—pushing fruit through a very fine filter—so it's simple, pure and uses no solvents or evaporation. The unique process filters out sugar molecules while allowing the fruit's natural proportions of beneficial phytonutrients to be delivered. Compared to whole Elderberry and whole Black Currant, these extracts have the same profiles of rich chemistries, but are highly concentrated for your maximum benefit.

"True-to-Fruit" Membrane Extraction

Concentrated Phytonutrients without Sugars:
Active Immune Take Care Compounds
