AFTER SHAVE  
SKIN SOOTHER

**purpose** To soothe and soften skin after shaving. Adds hydration and relieves the discomfort that sometimes follows shaving.

**how it works** Cooling menthol, peppermint, rosemary and bay leaf team with chamomile and aloe to soothe the skin, while panthenol provides long-lasting hydration.

**how to use it** Splash over face and neck, or apply to a cotton pad and gently swab on freshly shaved skin. Avoid getting in eyes.

**pf cf v gf** paraben free, cruelty free,  
vegan, gluten free, pH 5
