At POWR3D®, we are dedicated to creating sports supplement innovations utilizing our unique liquid delivery technology. We believe that supplements should be fun, easy-to-take, mess-free and fully-solubilized, and we're here to make that happen.

Our LiquiCharge™ Pre-Workout Liquid Mix features a unique energy, focus, and endurance blend* delivered in a convenient single-serve LiquiTube. Simply snap off the top, add the contents to water and enjoy a delicious and refreshing boost! Best of all, you can take your LiquiCharge™ wherever you go and easily add it to any bottle of water.

TeaCrine® is a registered trademark and Protected by Patents Pending, US 14/539,726; under exclusive global distribution by Compound Solutions, Inc.

TEACRINE

CarnoSyn®
Carnosine Synthesizer

Natural Alternatives International (NAI) is the owner of patents as listed on www.carnosyn.com and registered trademark CarnoSyn®.

Suggested Use: Snap off the top and add the entire contents of 1 LiquiTube (10ml) to 8-14oz of water. Consume 15-30 minutes before your workout or whenever you require an energy boost. **DO NOT EXCEED TWO SERVINGS PER DAY.** Use only as directed. During your workout, it is recommended that you drink plenty of water. Some individuals may experience a harmless tingling sensation attributed to beta alanine.

Warnings: This product is intended for Adults 18 years of age and older. Check with a qualified health care professional before taking this product if you are pregnant or nursing, have any known or suspected medical conditions, and/or if you are taking any medications. **KEEP OUT OF REACH OF CHILDREN.**

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

1 Snap or Twist top off.

2 Squeeze contents into 8-14oz of water.

3 Drink and Enjoy!
