Good For Your Heart

Soluble fiber from foods such as **Psyllium Husk**, as a part of a diet low in saturated fat and cholesterol, **may reduce the risk of heart disease**. A serving of Colon Cleanse supplies 4g of the 7g of soluble fiber from Psyllium Husk necessary per day to have this effect.

Suggested use for weight management:

Take one tablespoon (approx. 7g) about half an hour before every meal, with at least 8 oz. of water.

Psyllium Husk promotes a feeling of fullness, which may help you to eat less at mealtime.* It also provides fiber that helps promote good bowel movements, which are essential for weight management.*

Need something stronger? Try our **Super Colon Cleanse®**, a unique combination of Senna Leaf and Psyllium Husk to help with occasional constipation.*

Fill controlled by weight not volume.

In case of disposal, place in trash and avoid disposal in any plumbing system.
