With a complete amino acid profile including all nine essential amino acids, rice protein is ideal for building lean muscle, burning fat, and boosting athletic performance.

Providing the “supergreens” in this mix is our Sun is Shining™ Green Superfood formula, which contains 19 nutrient-dense ingredients — such as wheatgrass, spinach, kale, chlorella, spirulina, kelp, dandelion leaf, ginger root and more. Feel energized and alkalinized with a full serving of daily greens, while supporting a strong, healthy immune system!

Supergreens & Protein also contains probiotics and enzymes to help your inner ecosystem thrive. A healthy gut is essential for absorbing vital nutrients and supporting your immune and digestive systems.
