

Suggested Usage: Take 2 capsules 20 minutes before meals, 2 to 3 times daily. Persons with sensitive stomachs may prefer to take capsules with food.

Quercetin is a naturally occurring free radical scavenger that supports healthy seasonal immune system function.* Laboratory studies have demonstrated that Quercetin can also help to promote normal respiratory function.* Bromelain supports a balanced immune system and may also help to maintain healthy sinus tissues.* This complementary combination may thus promote year-round respiratory health and support overall seasonal comfort.*
