

Ultrisine Hardcore is a patented fast-acting fat burner designed from innovative new clinical research. In a cutting edge muscle cell culture study, key active ingredients in Ultrisine Hardcore were shown to double the production of irisin, a specific fat burning muscle hormone that is believed to support brown adipose thermogenesis, as well as increase AMPK activation, another fat burning muscle protein that is stimulated by physical activity. By activating brown adipose tissue, Ultrisine Hardcore may help shift body fat to an energy source, thus allowing you to lose body fat in just 4 weeks.*

- ✓ University Tested, U.S. Patented Formula**
- ✓ Stimulates Brown Adipose Thermogenesis*
- ✓ Lose Body Fat In Just 4 Weeks+*
- ✓ May Support Muscle Irisin & AMPK+*
- ✓ Enhances Energy & Mood+*
- ✓ Features *Gynostemma pentaphyllum* leaf extract, *trans resveratrol*, 6-paradol, green tea leaf extract and *citrus aurantium*
- ✓ Reduces Lethargy & Fatigue+*
- ✓ Rapidly Boosts Metabolism In Just 30 Minutes+*

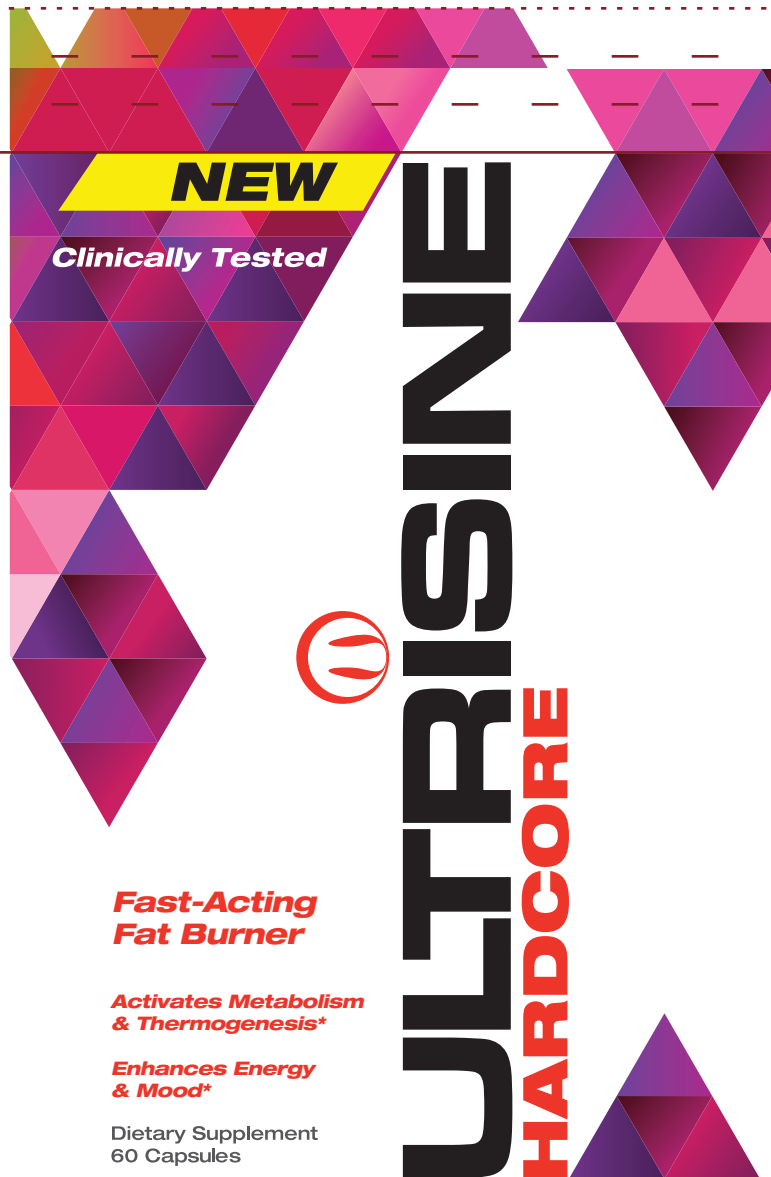

In a blinded placebo control experiment, test subjects, both male and female, supplemented with one serving of Ultrisine Hardcore daily for 4 weeks. All participants lived a sedentary lifestyle and were instructed to follow their current diet and exercise habits during the duration of the study (free living study). Using advanced metabolic testing, Ultrisine Hardcore was shown to rapidly boost calories burned in just 30 minutes. After 90 minutes, it burned the equivalent amount of calories as running over 2 miles, or walking 5,500 steps!# The test subjects also experienced a 48% reduction in fatigue, enhanced mood, satiety, and lost significant body fat in just 4 weeks!+*

*U.S. PROVISIONAL PATENT 62/248,965 #Calories burned based on using metabolic equivalency (MET) calculations. Mile calculation based on 150 lb person running 6 mph. Steps based on a 150 lb person walking 3 mph, at a pace of 2,000 steps per mile. +The Effects of a Multi-Ingredient Fat Burner on Weight Loss and Metabolism. (White Paper). @British Journal of Nutrition (2013), 110, 733-738.

WARNING: Not intended for use by persons under age 18. Do not exceed recommended dose. Do not consume synephrine or caffeine from other sources, including but not limited to, coffee, tea, soda and other dietary supplements or medications containing phenylephrine or caffeine. Contains caffeine. Do not use for more than 8 weeks. Consult with your physician prior to use if you are pregnant or nursing, or if you are taking medication, including but not limited to MAOI inhibitors, antidepressants, aspirin, nonsteroidal anti-inflammatory drugs or products containing phenylephrine, ephedrine, pseudoephedrine, or other stimulants. Consult your physician prior to use if you have a medical condition, including but not limited to, heart, liver, kidney, or thyroid disease, psychiatric or epileptic disorders, difficulty urinating, diabetes, high blood pressure, cardiac arrhythmia, recurrent headaches, enlarged prostate or glaucoma. Discontinue 2 weeks prior to surgery or if you experience rapid heart beat, dizziness, severe headache or shortness of breath.

Fast-Acting Fat Burner

Activates Metabolism & Thermogenesis*

Enhances Energy & Mood*

Dietary Supplement
60 Capsules

DIRECTIONS: Ultrisine Hardcore is a powerful fat burning formula. To assess your tolerance to Ultrisine Hardcore, start by taking one capsule in the morning with breakfast and 8 oz. of water. If one capsule is well tolerated, for full clinical benefits increase to two capsules in the morning with breakfast and 8 oz. of water. Do not exceed 2 capsules in a 24-hour time period. Do not consume Ultrisine Hardcore within 8 hours of bedtime.

Supplement Facts

Serving Size: 2 Capsules
Servings Per Container: 30

	Amount Per Serving	% Daily Value†
Vitamin B6 (as Pyridoxine HCl)	10 mg	500%
Chromium (as Chromium Picolinate)	250 mcg	208%
Metabolism & Brown Adipose Activating Matrix*	357 mg	‡
<i>Gynostemma pentaphyllum</i> leaf extract (ActivAMP®), <i>Polygonum cuspidatum</i> root extract (50% trans resveratrol), <i>Aframomum melegueta</i> seed extract (12.5% 6-paradol), Cayenne pepper fruit extract (Capsimax®), Raspberry ketone		
Powerful Energy, Mood & Satiety Boosting Complex*	745.5 mg	‡
Caffeine Anhydrous (300 mg), Green tea leaf extract, Advantra Z® (<i>Citrus aurantium</i> unripe fruit extract) (Standardized to 6% synephrine), <i>Mucuna pruriens</i> seed extract (60% L-Dopa), Yohimbe bark extract (10% yohimbine)		

† Percent Daily Values are based on a 2,000 calorie diet.
‡ Daily Value not established.

Other Ingredients: Capsule (Hydroxypropylcellulose, Titanium Dioxide, FD&C Red #40, FD&C Blue #1), Rice Flour, Stearic Acid, Magnesium Stearate and Silica.
