Directions for use: Use SeroVital Night Formula before going to bed. Begin with clean, dry skin. Apply a small amount of SeroVital Night Formula to your face (the formula is extremely concentrated). Using a circular motion, gently massage the cream into your skin until completely absorbed.

CAUTION: For topical use only. Before using SeroVital Night Formula on a regular basis, test it on a small area of your forearm. If redness/rash or itching occurs, discontinue use and call our customer service department at: 1-800-898-5153. For external use only. Avoid direct contact with the eyes. If product comes in contact with eyes, flush with warm water. **Use only as directed. Keep out of reach of children.**

Manufactured in the USA for:
SanMedica International, LLC
Salt Lake City, UT 84116

Product resale allowed only through authorized representatives. International distribution is not authorized without prior written approval.
