Nutrients for Breast Milk

Perfect Postnatal™ multivitamin is formulated with vitamins and minerals recommended specifically for breastfeeding women, including whole-food cultured Iron, Vitamin B6, Iodine and Vitamin D3.\*

Body Nourishing

To help address your body's needs after giving birth, Perfect Postnatal delivers whole-food cultured Iron—required for red blood cell production—as well as Folate.\*

Energy & Mood Support

Whole-food cultured B Vitamins work naturally with your body to support energy needs during early motherhood and breastfeeding, while emerging studies suggest that taking a daily multivitamin can support a healthy mood and help with occasional stress and fatigue.\*

Postnatal Herbal Blend

Perfect Postnatal features a complementary blend of botanicals traditionally used by breastfeeding women, including organic Oat, organic Turmeric and organic Chamomile.

Gentle & Convenient

This multivitamin with organic ingredients helps busy moms get consistent nutritional support and can be taken anytime—even on an empty stomach!
