

ADVANCED BOTANICAL FINGERPRINT TECHNOLOGY®

*The Genius of Mother Nature In Every Bottle
- Just as She Intended*

"The true value of a plant lies deep within its natural holistic balance."

Frank D'Amelio, Sr., Founder, Nature's Answer®

With one of the most comprehensive herbariums in the world, Nature's Answer® has identified Mother Nature's unique botanical fingerprint on over 800 plant reference standards. Utilizing Advanced Botanical Fingerprint Technology®, these authenticated samples each serve as the standard by which all incoming raw materials are judged.

Using carefully-controlled extraction techniques, we capture the holistic balance of each herb and the value is passed on to you, the consumer, who can be assured that the product in your hand is *authentic, safe, effective, holistically balanced*, and of course... Nature's Answer®.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
