

ADVANCED, TRIPLE-SOURCED L-ARGININE

L-Arginine SX-7[®] Black Onyx[™] delivers a powerful pump-inducing matrix that quickly disperses into your bloodstream when you need it most! This advanced arginine matrix supplies three forms of L-arginine, the critical precursor to nitric oxide. Plus, it's sugar free and non-stimulant so it can be stacked with any other SX-7[®] Black Onyx[™] product for your best workouts.▲

Powerful Nitric Oxide Precursor

MuscleTech[®] researchers developed the most advanced, ultra-pure, triple-sourced L-arginine formula ever. L-Arginine SX-7[®] Black Onyx[™] delivers 6,000mg of L-arginine, including ultra-pure micronized L-arginine for rapid uptake and dispersal in your body. Flooding your body with this powerful nitric oxide precursor primes you for extreme pumps and enhanced blood flow and nutrient delivery.▲

Scientifically Superior Formula

When you train, your body releases calcium in the endothelial cells that line your blood vessels. This causes the enzyme nitric oxide synthase to create nitric oxide from available L-arginine. As the nitric oxide leaves the endothelial cells, the blood vessels relax, causing vasodilation. By supplying a massive dose of L-arginine to your body, L-Arginine SX-7[®] Black Onyx[™] helps trigger extreme nitric oxide production for superior vasodilation effects and massive muscle pumps.▲

SUPERIOR VASODILATION

L-Arginine SX-7[®] Black Onyx[™] supports vasodilation to facilitate increased blood flow, improved oxygen utilization and enhanced nutrient delivery.▲

Store in a cool, dry place (60°F to 80°F).

♦MuscleTech[®] is America's #1 Selling Bodybuilding Supplement Brand based on cumulative wholesale dollar sales 2001 to present.

▲These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

DIRECTIONS: Mix 1 serving (1 scoop) with 12 to 16 oz. of water and take once daily. For muscle pumps, take 1 scoop 20 to 30 minutes before your workout. Do not exceed 1 serving (1 scoop) in a 24-hour period. Read the entire label before use and follow directions provided.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Do not use if you have had a myocardial infarction (heart attack). Inhalation may amplify the inflammatory airway response in people with asthma. Consult a medical doctor before starting a diet or exercise program or if you have a medical condition. For use by healthy individuals only. **KEEP OUT OF REACH OF CHILDREN.**

L-Arginine SX-7[®] Black Onyx[™] is manufactured according to cGMP standards, as is required for all dietary supplements.
