## GNC PETS QUALITY COMMITMENT

Since 1935, GNC has been the leader in the development and manufacture of human nutritional supplements. GNC's commitment carries over to Pet Products! GNC Pet Products are produced at the same highest quality standards as our human supplements.

Feeding Directions:

Give 1 chew daily.

For animal use only. Keep out of reach of children and animals. Your pet may consider this a treat. In case of accidental overdose, contact a health professional immediately.

This premium digestive support soft chew is a delicious alternative for cats with an aversion to pills. It is scientifically formulated with high-quality ingredients to support digestive health. This advanced formula features prebiotics and probiotics to support a healthy intestinal tract. Plus your pet will love the great-tasting duck flavor and the chewy texture!
