

USAGE: Take 1 capsule 1 to 2 times per day or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Hawthorn (*Crataegus oxycantha*) has been used for centuries to promote healthy circulation.* Clinical research has identified the compounds responsible for hawthorn's beneficial activities.* These compounds include flavonoids, such as vitexin-2"-O-rhamnoside. The powerful antioxidants in hawthorn help to protect the cells of the cardiovascular system from free radicals.*

Keep out of the reach of children.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
