NURTURE VITALITY™

Imagine an organic food with 30% daily value (DV) of protein and 32% DV of fiber. It's all inside our 15G Hemp Protein, one of nature's perfect superfoods. It contains high-quality plant protein with the branched-chain amino acids that are vital for good health, and it's super easy to digest.

**WHY HEMP PROTEIN IS IDEAL**

Of the protein, 66% is edestin (a bioactive globulin protein that's easy to digest)—more than any other plant!

**SUPERFOOD FACTS**

One serving provides 15 grams of raw organic protein and 8 grams of fiber per serving (32% DV). Hemp contains all 9 essential amino acids, with the bonus of good-for-you essential fatty acids (2g per serving).

**PEOPLE & PLANET**

Certified organic hemp is the Earth's premier renewable resource! Unlike most non-organic soy proteins, our hemp protein is not processed with hexane, a harsh solvent. It's also vegan and comes in this enviro-pak to reduce packaging waste.

Also try our organic Chocolate and Vanilla Hemp Proteins, as well as our Hemp, Coconut and Red Palm Oils, Hempseed, Chia Seed and Coconut Manna™. For delicious recipes, visit [nutiva.com](http://nutiva.com).

**Our ENVIRO-PAK**  
Reduces waste and gives you nearly 2 times the hemp of our 16oz jar!
