Psorzema® Crème

Natural Relief for Scaling, Flaking, and Itching
Soulagement de la Desquamation et des Démangeaisons

derma e® Psorzema® Crème is a safe and effective blend of herbal extracts and skin vitamins that provides natural relief from symptoms of scaling, flaking, itching, and irritated dry skin.

Neem, Burdock, Vitamin A, Vitamin E, and Bearberry are among the many healing natural ingredients that are used in this pleasant moisturizing crème.

Contains no coal or pine tars and no steroids.

Directions For Use: Apply liberally and use as often as desired to relieve symptoms.
