Production Files are Confidential and Property of Gilbreth Packaging.

Rotogravure cylinder engravings are stored for 1 year after the final production run. If the cylinder is not re-used within one year, we may, at our option, destroy the engraving. If re-ordered after that time, engraving charges will be invoiced.

A copy of the art simulating the finished product is enclosed for your examination. Please check all aspects carefully for errors (including spelling and position of copy) to ensure compliance to your requirements. Your signature below constitutes acceptance of full responsibility for all errors, omissions, and legal compliance. Gilbreth will not accept liability for errors overlooked at this stage of proofing. Please return, fax or email a signed copy of this approval form and/or a letter with the changes noted to your inside sales coordinator. Fax (215-785-4017).
