

USAGE: Take 1 capsule 2 times per day before meals or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition (especially diabetes or being treated for glucose control), are pregnant, lactating, trying to conceive, under the age of 18, or taking medications (especially for glucose control), consult your healthcare professional before using this product. One capsule contains a small amount of caffeine — less than 16 mg — the amount found in approximately one eighth cup of brewed coffee.

Jarrow Formulas® Green Coffee Bean Extract contains antioxidants, especially chlorogenic acids (50% by weight), from unroasted coffee beans.

GCA® (Green Coffee Antioxidant) is the registered product of Applied Foods Science, Inc.

Product is hygroscopic; maintain in original packaging.
