DIRECTIONS: To assess individual tolerance, refer to the chart. Take 1 serving (2 liquid capsules) twice daily, 30 to 60 minutes before your two main meals (e.g. breakfast and lunch). Do not exceed 4 capsules in a 24-hour period. For best results, use for 60 days in combination with diet and exercise. Always read the entire label before use, and follow the directions provided.

Day 1 to Day 3 Take 1 capsule, twice a day

Day 4 & Beyond Take 2 capsules, twice a day

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Discontinue use and consult a medical doctor if you experience unusual symptoms. Consult a medical doctor before use if you have been treated for, diagnosed with, or have a family history of any medical condition, or if you are using any prescription or over-the-counter drugs). One serving (2 liquid capsules) of this product contains up to as much caffeine as 2.5 cups of coffee. Caffeine sensitive individuals may experience the following symptoms, including (but not limited to) restlessness, nervousness, tremors, headache, anxiety, palpitations, increased heart rate or difficulty sleeping. Do not combine with other sources of caffeine or stimulants. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. **KEEP OUT OF REACH OF CHILDREN.**
