holistic

New Chapter *Take Care*™ formulas target specific areas of wellness and provide combinations of whole-food cultured vitamins, minerals, herbs and superfoods to support health and wellness.*

Focus on Your Blood Pressure

Blood Pressure *Take Care*™ delivers targeted herbal extracts for cardiovascular support.*

The patent-pending Grape Seed extract in Blood Pressure *Take Care* has been shown to support healthy blood pressure levels in adults.*

The formula's select targeted herbs also help maintain these healthy levels.*

The Full-Spectrum Difference

Many companies isolate elements from an herb and label it "whole herb." Blood Pressure *Take Care* delivers more—the amazing synergy of whole herbs in their natural profiles, working together. The potent and concentrated extracts provide the fullest spectrum of beneficial phytonutrients.
