NORDIC

NATURALS®

Distilled for Purity

Nordic Naturals pure omega-3 oil, derived exclusively from wild anchovies and sardines, offers the important omega-3 fatty acids, EPA and DHA, to help support healthy skin, coat, joints, heart, and the development and maintenance of the brain and eyes.

Nordic Naturals oils are distilled for purity, and surpass the strict international standards for purity and freshness (European Pharmacopoeia and World Health Organization). Certificates of Analysis are available upon request.
