

A Nobel Prize was awarded for the discovery that Nitric Oxide (NO) plays a significant role in the cardiovascular system\*. NO is naturally made in your body, but as you age you produce less of it. Berkeley Life helps support NO levels for Heart Health by supplementing your diet with dietary nitrates. Our supplement provides the dietary nitrates found in plants, as well as key vitamins, to help support NO levels, cardiovascular health, and overall health and vitality.

Patented  
**Berkeley  
Test  
Strips**

Manufactured in the USA  
of US and imported ingredients.

### Directions:

Take two tablets once a day, with water after food. Do not exceed the recommended daily intake. Suitable for vegetarians and vegans. Made without most allergens (milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy). Gluten and gelatin free.

**WARNING:** If you are taking any medications, consult your doctor or health professional before use. Not intended for use by pregnant or nursing women. You may notice you are thirsty while taking the supplements, hydrate before and after.

STRIPS ARE FOR SINGLE USE ONLY.

**KEEP OUT OF REACH OF CHILDREN. STORE IN A DRY PLACE AND AVOID EXCESSIVE HEAT. TAMPER RESISTANT: EACH TABLET IS INDIVIDUALLY SEALED. DO NOT USE IF BLISTER SEAL IS CUT, TORN OR BROKEN.**

### When:

Test before taking the supplements and one hour after.

### How:

1. It's simple, place the test strip with the "saliva here" side on your tongue

2. Fold the strip over and gently press the two sides together

3. Now simply separate and review your results against the NO scale below

20	Depleted
110	Low
220	Threshold
435	Target
870	High

4. Download the Berkeley Test app to get your exact reading and to track your results over time.
