Directions: For beautiful, healthy nails rub vigorously into nail beds once or twice daily. To improve penetration remove any thickened or dead nail tissue or dead skin. For ideal results also use NAIL-IT capsules and OregaSoak foot soaking solution.

NAIL-IT contains the most powerful blend of aromatic wild spice oils known for beautifying toenails and fingernails as well as the skin of the feet. Tested at Georgetown University this is the wild spice power you need. Rub it on nails and feet daily. You'll see the difference.
