COMMUNITY COMMERCE

sales of this product go to support women's empowerment in three key areas - Entrepreneurship, Education and Equity. We invest in communities by funding training, infrastructure and safety programs to sustainably source indigenous ingredients, grow local manufacturing of high quality goods in their own villages, and provide fair prices for their goods and labor. Earning a better, more sustainable living makes a better life possible for themselves, their families and their communities.

It's not a donation. It's an investment in an equitable world.

OUR STORY

Our Grandmother Sofi Tucker started selling Shea Nuts at the village market in Bonthe, Sierra Leone in 1912. By age 19, the widowed mother of four sold Shea Butter, African Black Soap and her homemade hair and skin preparations all over the countryside. SheaMoisture is her legacy.
