

**USAGE:** Take 1 capsule up to 3 times per day with a meal or as directed by your qualified healthcare professional.

**NOTE:** If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

**Phosphatidylserine (PS)** is a natural phospholipid that is an essential component of cell membranes.\* Cogni-PS® promotes brain function by helping maintain neuronal membrane fluidity (cell-to-cell communication), which is associated with cognition, mental performance, attentiveness and reaction time.\* PS protects against stress-induced activity, reducing the action of cortisol (catabolic stress hormone).\*

Cogni-PS® is a concentrated form of phosphatidylserine that offers superior stability.

**Keep out of the reach of children.  
Store in a cool, dry place.**
