

This nutrient-rich Butter Cream hydrates and comforts dry, tight stretched skin. Certified organic Raw Shea Butter helps deeply moisturize and reinforce skin's elasticity. Amazonian Cupuaçu, a plant-sourced Lanolin substitute, combines with Passiflora Oil to form a protective layer on the skin's surface, preventing moisture loss and reducing the risk of stretch marks appearing. Alluring Pistachio Oil helps nourish and protect the skin.

After showering or bathing, smooth a generous amount onto damp skin and massage in.

## Our Story

Sofi Tucker started selling Shea Nuts at the village market in Bonthe, Sierra Leone in 1912. By age 19, the widowed mother of four was selling Shea Butter, African Black Soap and her homemade hair and skin preparations all over the countryside. Sofi Tucker was our Grandmother and SheaMoisture is her legacy. Through Community Commerce you help empower disadvantaged women to realize a brighter, healthier future.
