

About Freshwater Collagen™ Powder

ResVitále® delivers premium freshwater fish collagen harvested using sustainable aquaculture practices.

Collagen is integral for healthy skin, joints, bones and other connective tissue. Using a specially formulated complex, Freshwater Collagen™ nourishes the body with clinically-studied amino acid peptides -- the building blocks of collagen -- to help you look and move vibrantly.⁵ For optimal benefits, an advanced technology certifies that the custom-sized peptides are easy to absorb and digest. Skin looks firmer, hydrated and visibly improved.⁵

Includes Hyaluronic Acid to help hydrate skin and joints.⁵ Plus Vitamin C to promote collagen synthesis and help slow the rate of breakdown.⁵

Naticol® is a trademark of Weishardt International, exclusively distributed by AIDP.

⁵These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
