Just the Most Powerful Formulas Available

The Most Powerful Protein Formula Ever Developed
NITRO-TECH® is a scientifically engineered whey isolate+ lean musclebuilder formula designed for all athletes who are looking for more muscle, more strength and better performance. NITRO-TECH® contains protein sourced primarily from whey protein isolate and whey peptides – two of the cleanest and purest protein sources available to athletes. Other whey protein supplements might have only a few grams of these highly bioavailable and easily digested proteins. NITRO-TECH® is also enhanced with the most studied form of creatine for even better gains in muscle and strength.▲

70% Better Than Regular Whey Protein for Gains in Lean Muscle

1In a 6-week, double-blind study involving 36 test subjects with at least 3 years of weight training experience divided into three groups, subjects combining the core ingredients in NITRO-TECH® with a weight training program gained 70% more lean muscle than subjects using regular whey protein (8.8 vs. 5.1 lbs.) and increased their bench press more than subjects using regular whey protein (34 vs. 14 lbs.). These same subjects even gained 4 times the lean muscle as subjects using a placebo (8.8 vs. 2.0 lbs.)▲ This formula provides 30g of protein from ultra-pure protein. Plus, it delivers a clinically proven dose of creatine.

REFERENCES

1. Burke et al., 2001. *International Journal of Sport Nutrition and Exercise Metabolism*. 11(3):349-64.

This product contains 3g of creatine per serving, which is in addition to the 30g of protein per serving shown in the Supplement Facts. Creatine in combination with whey protein has been clinically shown in a published study in the *International Journal of Sport Nutrition and Exercise Metabolism* to be more effective for building muscle than just whey protein alone. There are no added amino acids contained within this formula that are counted towards the total amount of protein listed on the label.

WARNING: Do not use if pregnant or nursing. Consult a medical doctor before starting any diet or exercise program or if you have a medical condition. **Do not use if packaging has been tampered with. KEEP OUT OF REACH OF CHILDREN.**
