

**Directions:** Spray in mouth and/or throat, as needed. Also may be sprayed on roof of the mouth, tongue, and gums.

Sooth-eez Throat Spray is potent. It packs the power of wild flavonoids and phenols from hand-picked wild oregano plus wild pin cherries. Pin cherry bark extract is added to increase the potency. Sooth-eez Throat Spray is a raw, wild natural solution with potent enzymes. That's why it is so powerful.
