

USAGE: Take 1 to 6 capsules per day, preferably with meals or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition (especially diabetes or being treated for glucose control), under the age of 18, or are taking medications (especially for glucose control), consult your healthcare professional before using this product.

Jarrow Formulas® Alpha Lipoic Acid is a unique lipid and water soluble antioxidant that is a cofactor in energy production, helping to regulate glucose metabolism.* ALA also promotes the synthesis of glutathione, another powerful antioxidant and a critical component of the body's endogenous antioxidant network.* **Biotin** is an essential cofactor that is important for energy production and lipid metabolism.* Biotin is added for optimum ALA activity.

Keep out of the reach of children.
