

100% HDS Probiotics™ (Human Digestive Strains)

- Contains unique probiotic strains originated from human microflora
- Compatible with a woman's vaginal, urinary and intestinal tracts
- Supports vaginal and urinary tract health, yeast balance, digestion, regularity and immunity*
- Probiotic strains not derived from animal, dairy, soil or plant sources

Enteric-Coated for Targeted Release™

- Ensures probiotics survive stomach acid
- Releases active probiotics directly into the intestine

Keep out of reach of children. Safety sealed with printed outer shrinkwrap and inner seal. Do not use if either is broken or missing. Keep bottle tightly closed.
