

REAL CARB CONTROL!

Real Ketones™ helps support your keto-lifestyle. The keto-lifestyle limits carbohydrate intake in order to stimulate your body's natural ability to use the energy it has stored as a reserve. Our bodies produce natural ketones when we limit carbohydrate intake, which is also known as "ketosis". Real Ketones™ is designed to help support ketosis by providing patented and university studied ketones.‡

- Keep out of reach of children.
- Store in a cool, dry place.
- Protect from heat, light and moisture.
- Do not purchase if seal is broken.
