ULTRASONIC DIFFUSING MISTER WITH BLUETOOTH®

### sound:

Set your spa experience to music. Connect your device via Bluetooth® technology and let your playlist carry you away.

### simple:

No chemicals, no heat. Simply add water and the ultrasonic element produces consistent, healthy humidification.

### soothing:

Add a few drops of pure essential oil to provide immediate, soothing aromatherapy. Optional color changing lights add to the ambiance.

### smart:

Just a half cup of water will last up to three hours continuously or six hours intermittently. AromaHarmony automatically shuts off when empty.
