

2 caps

2x daily

before meals

Suggested Use: As a dietary supplement, take 2 capsules (1600mg) with your favorite beverage twice daily. **On Non-Training Days:** Take 1 serving prior to your first meal of the day and 1 serving 6-8 hours later. **On Training Days:** Take 1 serving 20-30 minutes prior to exercise and 1 serving after training. Beta-Alanine can create tingling sensation on your skin, which is normal and should subside after continuous use. To assess tolerance, begin by consuming 1/2 a serving. Do not add to products already containing Beta-Alanine.
