

DIRECTIONS:

SPOON STIRRED: Gold Standard 100% Whey™ is instantized. That means if you forgot your shaker cup or don't have time to get out the blender, just add one scoop of Gold Standard 100% Whey™ to a glass filled with 6-8 oz of water or your favorite beverage. Then mix it up with a spoon. Stir for about 30 seconds or until powder is completely dissolved. **TIP:** Adjust the taste of your Gold Standard 100% Whey™ by varying the amount of liquid that you use to prepare it. For a bolder flavor with slightly more body and sweetness, mix each scoop with 4-6 oz of water, milk, or your favorite beverage. For a milder tasting, less sweet shake, use 8-10 oz of liquid per scoop.

SHAKER CUP: Bringing a shaker cup with you to the gym is the best way to get a dose of protein immediately after your workout. Just pour in 6-8 oz of your preferred beverage and then add one scoop of Gold Standard 100% Whey™ to your shaker cup. Cover and shake for 25-30 seconds.

BLENDER: Add one scoop of Gold Standard 100% Whey™ to a blender filled with 6-8 oz of water or your favorite beverage. Blend for 20-30 seconds. Then add 1 or 2 ice cubes and blend for an additional 30 seconds. **SHAKE UP YOUR SHAKE:** By adding fresh or frozen fruits, peanut butter, flaxseed oil, coconut, and other ingredients, you can make an even more delicious shake. **STACK YOUR SHAKE:** You can make Gold Standard 100% Whey™ an even better post workout product by adding supplements like Creatine, Glutamine, BCAA, and concentrated carbohydrate powders.

THINK OUTSIDE THE GLASS: Gold Standard 100% Whey™ can be used for more than just protein shakes. Try mixing a scoop into oatmeal, yogurt, or the milk that you pour over your morning breakfast cereal. Better yet, increase the protein content of muffins, cookies, brownies, etc. by adding a scoop or two to your baked goods recipes.

SUGGESTED USE: For healthy adults, consume enough protein to meet your daily protein requirements with a combination of high protein foods and protein supplements throughout the day as part of a balanced diet and exercise program.
