

USAGE: Take 1 softgel once or twice per day with a meal or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

QH-absorb® + PQQ™ combines the reduced, active, antioxidant form of Co-Q10—which is significantly better absorbed than ubiquinone—with PQQ, which promotes the production of new mitochondria.* This combination supports both heart health and cognitive function.*

Keep out of the reach of children.
Store in a cool, dry place.
