

Directions: Take two or more capsules with meals.

Resvital is the only grape product made from the entire crude red sour grape, including the vine, skin, and seeds. Resvital is a rich source of natural grape antioxidants, including resveratrol and proanthocyanidins (OPCs). It also contains natural source potassium, chromium, and vitamin C. Unlike grape seed extract, it is free of solvents and fungicides. Resvital is all natural and more powerful than mere grape seed extracts.
