

USAGE: Dissolve in mouth or chew 1 lozenge per day or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Methylcobalamin (Methyl B-12) is better absorbed and retained than other forms of B₁₂ (e.g., cyanocobalamin).* Methyl B-12 supports nerve tissue and brain cells, promotes better sleep and recycles (via methylation) homocysteine, an oxidizing metabolite, back into the amino acid methionine.* Also, vegetarians/vegans often require B₁₂ supplementation.*

Keep out of the reach of children.
Store in a cool, dry place.
