MEGA MEN[®] Sport

More antioxidant power than ever and over 30 clinically studied ingredients in every formula – all in smaller, easier-to-swallow pills.

Men's Health

Contains a clinically studied men's multivitamin shown to work better than a basic multivitamin.[^] Helps support colon and prostate health.*

Performance

Features beta-alanine, a high-efficiency muscle pH buffer, and carnitine, which helps use fatty acids as energy.*

Muscle Function

Features branched chain amino acids to fuel muscles. Also supports muscles by providing essential electrolytes that may be lost during intense exercise, including calcium, which plays a role in mediating muscle contraction.*

Antioxidants

Packed with antioxidants to help fight free radicals that can be produced during your workout.*
