

PILL-WITHIN-A-PILL TECHNOLOGY

Introducing the world's most advanced new capsule technology that harnesses the power of a super-concentrated, micronized powder capsule suspended within a highly bioavailable liquid capsule. The rapid-release liquid is isolated from the powder, separating the ingredients in their most stable inherent states until the rapid ingredient co-release. This advanced technology overcomes the limitations of outdated liquid and powder pills by synergizing two pills in one. It's technology meeting efficacy without compromise.

TECHNOLOGY MEETS EFFICACY WITHOUT COMPROMISE

ADVANCED DUAL-CAPSULE TECHNOLOGY

This breakthrough, patented process physically isolates distinct active ingredients into two separate capsules. This allows for ingredients to be maintained in their preferred states. It also allows for both fast-release liquid and rapid-dispersion powder co-release when you need it most!

NON-STIM WEIGHT LOSS PILL

¹Subjects taking 200mg of *C. canephora robusta* lost an average of 10.95 lbs. (vs. 5.4 lbs. for placebo) in 60 days with a low-calorie diet, and 3.7 lbs. (vs. 1.25 lbs. for placebo) in 8 weeks with a calorie-reduced diet and moderate exercise. Many competitors' weight loss ingredients aren't backed by a single weight loss study on humans, let alone two![†]

FAST-RELEASE LIQUID PILL

The most concentrated source of L-carnitine, a compound that is rapidly absorbed and involved in many different processes in the body, including energy metabolism.[†]

ADVANCED DUAL-CAPSULE TECHNOLOGY

Breakthrough dual-capsule technology combines and delivers ingredients in their active states in one high-potency dose for a truly advanced non-stimulant formula!

REVOLUTION

NON-STIM WEIGHT LOSS[†]

ADVANCED WEIGHT LOSS[†] • NO STIMULATION OR JITTERS

Supplement Facts

Serving Size: 3 Capsules
Servings Per Container: 30

Amount Per Serving	% Daily Value
Bioavailable Liquid Complex	
L-carnitine	500mg †
Choline chloride	30mg †
Neurosensory Matrix	
L-theanine	75mg †
Sensoril® Ashwagandha extract (as <i>Withania somnifera</i>) (root and leaf)	62.5mg †
Lion's mane (as <i>Hericium erinaceus</i>) (fruit body)	50mg †
Rhodiola extract (as <i>Rhodiola rosea</i>) (root)	50mg †
Standardized for 3% salidroside and 1% rosavins	
Dill extract (as <i>Anethum graveolens</i>) (seed)	20mg †
Passion flower (as <i>Passiflora incarnata</i>) (flower)	15mg †
Artichoke extract (as <i>Cynara scolymus</i>) (leaf)	15mg †
Weight Loss Complex	
<i>C. canephora robusta</i> extract (Robusta coffee) (bean)	200mg †
Standardized for 45% chlorogenic acids	

†Daily Value not established.

Other Ingredients: Glycerin, Capsule (Hydroxypropylmethylcellulose, Titanium Dioxide, FD&C Yellow No. 5), Water, Silicon Dioxide, Magnesium Stearate.

Directions: Take 3 capsules two times daily, 30 to 60 minutes before your two largest meals (e.g., breakfast and lunch). Do not exceed 9 capsules in a 24-hour period. For best results, use for 60 days in combination with diet and training.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Discontinue use and consult a medical doctor if you experience unusual symptoms. Consult a medical doctor before use if you have been treated for, diagnosed with, or have a family history of any medical condition, or if you are using any prescription or over-the-counter drugs. Consult a medical doctor before starting a diet or exercise program. Do not exceed recommended serving. Improper use of this will product will not improve results and is not advised. Use only as directed. **KEEP OUT OF REACH OF CHILDREN.**

Do not use if packaging has been tampered with. Store in a cool, dry place (65° F to 85° F).
