

Directions: Take 1 to 2 tablespoons daily in juice, milk, or smoothies. Mix 1 or 2 T. in hot or cold cereal, soup, and entrees. Add to most any recipe to increase nutritional value. Great in yogurt and even desserts.

Purely-B is the only whole food B complex concentrate available. Unlike other B vitamin supplements, the nutrients in Purely-B are 100% natural—no synthetics are added. Nor is this corrupted by feeding synthetic vitamins to yeast, as is done with imitation whole food supplements. Purely-B is a real food source of amino acids, niacin, thiamine, riboflavin, pyridoxine, iron, magnesium, and phosphorus. It also contains pure essential fatty acids and easy-to-digest, nourishing carbohydrates. Plus, it is fortified with wild, raw chaga and organic maca, which give it a rich, mocha-like flavor. Chaga and maca are dense sources of B vitamins and minerals. This is the natural way to energize the body.
