From the Forest, to our Farm, to You™

HOST DEFENSE® CORDYCEPS

Himalayan mountain peoples have long used Cordyceps during strenuous, high altitude activities. *Cordyceps militaris* has likewise been used for centuries in China as an immune tonic. Interest in *Cordyceps militaris* has renewed, and it is currently celebrated for its antioxidant DNA protecting properties and lung supporting effects. This unique Cordyceps is increasingly being explored for its broad range of immune supporting actions.*

HOST DEFENSE® CORDYCEPS

uses activated, optimally dried, Certified Organic mushroom mycelium, with a full spectrum of constituents: >55% (550mg/serving) polysaccharides, .5% (5mg/serving) fatty acids, and an array of extracellular constituents, including enzymes, antioxidants, and other myco-nutrients, essential for *Supporting Natural Immunity.**
