

Solgar® Prenatal Nutrients is a proprietary formula that provides 100% Daily Value of most of the essential vitamins and minerals for pregnant and lactating women. Nutritional requirements significantly change during this time, and diet alone may not always be enough to meet those needed levels. This supplement provides a balanced combination of nutrients such as Calcium, Iron, Folic Acid and potent antioxidants Vitamins C and E and Beta-Carotene to help fight the cell damaging free radicals that can contribute to oxidative stress, and in turn may contribute to the premature aging of cells.*

Adequate folate in healthful diets may reduce a woman's risk of having a child with a brain or spinal cord defect.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under six. **KEEP THIS PRODUCT OUT OF REACH OF CHILDREN.** In case of accidental overdose, call a doctor or Poison Control Center immediately.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Solgar's KOF-K certification #K-1250

†Some iron supplements cause gastrointestinal irritation and constipating effects. This unique form of chelated iron (iron bisglycinate) is formulated for enhanced absorption and is gentle on your system. US Patent No.'s 6,706,904 and 6,716,814 licensed by Albion International, Inc.

‡US Patent No.'s 6,706,904 and 6,716,814 licensed by Albion International, Inc.

‡‡Naturally occurring.

Note: L-Tryptophan is naturally occurring
