

This Vitamin C-packed sugar scrub exfoliates, hydrates and revitalizes dry, dull skin. Certified organic Shea Butter and Coconut Water blend with our proprietary fusion of Dragon Fruit, Lychee Berry and Green Apple Extracts to moisturize, nourish and recharge tired-looking skin. Imbe Oil protects while Aloe promotes a healthy glow. Leaves skin soft with a light, energized fragrance.

Mix contents well. Apply a small amount to palm, massaging gently into skin using a circular motion, concentrating on rough and dry areas. As a hand treatment, rub palms together to create gentle warmth, and massage gently into top of hands and cuticles. Rinse skin thoroughly with warm water and pat dry.

Our Story

Sofi Tucker started selling Shea Nuts at the village market in Bonthe, Sierra Leone in 1912. By age 19, the widowed mother of four was selling Shea Butter, African Black Soap and her homemade hair and skin preparations all over the countryside. Sofi Tucker was our Grandmother and SheaMoisture is her legacy. With this purchase you help empower disadvantaged women to realize a brighter, healthier future.
